

City Extra to Strachauer Park Neighborhood Association

Subject: Strachauer Park B Neighborhood Roadway Reconstruction

December 26, 2013

Dear Resident:

On Dec. 10, the City Council conducted a public hearing and authorized the creation of plans and specifications for some streets your neighborhood. Click here to see the project area map <http://edinamn.gov/index.php?section=strachauerparkb>.

The project will be bid and awarded to a contractor in the next few months. Depending on weather, construction could begin as soon as April or as late as June.

This project involves spot repairs to the sanitary sewer trunk pipe, upgrades to the storm sewer systems, fire hydrants and gate valves, spot curb and gutter replacement, reconstruction of the asphalt pavement, and a sidewalk and parking bays near Strachauer Park.

Remember, the best way to keep up with project information is "City Extra" emails. If you haven't done so already, visit the City of Edina's website at www.EdinaMN.gov and sign up.
